SHOOTER'S SPOTLIGHT STEVE SCOTT

The first thing Steve Scott remembers about shooting was sitting on the front porch of the farm when his Dad asked if he wanted to shoot a tin can or something. He remembers the rifle being too heavy to hold up, so he sat on the edge of the porch and balanced it on his dad's right shoulder. His dad stood behind him and told him how and where to aim, Steve doesn't remember for sure, but says he most likely missed, but he did get the bug to shoot.

Steve shot skeet for many years but found that it did get to be the same old thing. He actually found ARA on the internet and started shooting at Clark's Range in Indiana where someone told him about Mark Penrod and the game was on, as was the experimenting. The first thing Steve says he learned was what works for some will not work for all.

Steve now mostly shoots the Indiana Clubs. He attributes some of his success to Mike Sherrill, John Carper, Ed Ledbetter, and to Mark Penrod who built his rifle.

Steve was the Area 3 Tournament Champion this year and the Indiana State Points Champion in 2019.

He says he feels he can speak for all his friends everywhere... when he says, "we love to shoot, it's fun, but winning is our goal."

Steve says "Remember this...many will give you advice, and advice is good... but no secrets will be given. Everyone wants to win and that's the way it should be in whatever you do." He adds, "Sometimes, you eat the bear, and sometimes the bear eats you".

Steve says his accomplishments in life are being blessed by God, doing things he enjoys doing, both in work and play. He says here we are talking about ARA and in 5 years he has become a Club, State, and ARA Area 3 Champion, and has the best Wife a man could wish for.

The first two American Rimfire Association National Tournament Champions were both present and competing at the 2020 National Tournament. Glen Townley was the first ARA National Tournament Champion in 1999. Fred Jamison was the 2000 National Tournament Champion. It was good to see them both.
