

BARBARA ALDRIDGE

Barbara Aldridge has recently made a name for herself in the Rimfire Benchrest world! Breaking the record for female shooters with 2500 indoor scores, Barbara surpassed Dawn Killough's two 2500s with THREE within the last few months. Her first was at Chickenfoot Indoor on January 19, followed by another at Howard Prince Indoor on February 10th and yet another at Chickenfoot Indoor again on February 16th.

Barbara gives credit for her recent success to her coach, Ivan Wells. She says Ivan has really been giving her the edge with his expert advice while practicing in his shooting tunnel. Barbara's husband says she's a better shooter than he is because she doesn't get so nervous and try to analyze each shot like he does.

In 2013 Barbara and her husband were looking for something they could do together, as she wasn't much of a hunter like him. Barbara and Thomas began shooting NRA matches, and according to her husband, she pretty much impressed all those guys.

After a couple years of NRA competition, they took on rimfire benchrest in Bowling Green, Kentucky, and actually had to borrow equipment to get started. Now, Barbara has her own gun, built by Mark Penrod. Barbara's winning rifle components consist of a 2500X action, Shilen Ratchet barrel, McMillan stock, Harrell tuner and ELEY ammunition.

Barbara and Thomas shoot consistently at both Chickenfoot and Gold City ranges. They have also participated in Ohio and Kentucky, as well as Missouri for the ARA National Tournament. Barbara recently retired from her job as an advanced heart failure nurse, so there will now be time to do a bit more traveling to other ranges. They have plans this year to travel to outdoor events in Oklahoma, Texas and California.

Congratulations on your great success Barbara! We look forward to celebrating more shooting successes with you.

WELCOME MICHELE & STEVE!

Team KSS would like to welcome Michele & Steve! We know you are going to enjoy getting to know these two. ARA match directors, please reach out to them if you need any assistance with ARA or the ELEY Match Director Program.

STEVE BARRON

Steve joins Team KSS as Business Development Manager.

Steve and his family live in San Angelo, Texas, about an hour south of the KSS facility. He joins us as Business Development Manager utilizing his sales and management knowledge and experience to help grow the shooting sports.

Steve and his wife, Michelle, have two boys that keep them on the go. Their oldest is in college at Texas Tech and the youngest is in 8th grade. Steve enjoys classic cars and (most) music. In addition, he and his boys enjoy golfing together and participating in just about any competitive sport or activity. They particularly enjoy cheering for the The University of Texas Longhorn football team, and any team either of the boys are a part of.

MICHELE MAKUCEVECH

Michele joins Team KSS as Competition Development Manager.

Michelle comes to us with a passion for the shooting sports. A competitive marksman for 34 years, she holds over two dozen National Records in Smallbore and High Power Rifle. As a smallbore and air rifle coach, she has had numerous juniors go on from her programs to compete in the NCAAs as well as on the Army Marksmanship Unit and US Shooting Team. She has been a member of the NRA's National Coach Development Staff since its inception and has been a volunteer with the Wounded Warrior shooting program as well as a number of junior shooting championship staffs. She also comes from a strong background in the shooting industry as a Territory Manager for shooting accessories.

Now residing in Ohio, when she's not on the range, Michele loves to spend time with her family, including calico Kitty (aptly named Tenex), and attending various cruise nights with her 1967 Plymouth Barracuda.

ELEY Match Director Program

As a Match Director **ELEY®** would like to offer you a fantastic opportunity to grow and incentivize your rimfire competitions in the USA.

Receive a Match Director cash incentive and offer your competitors huge discounts on **ELEY** ammunition using the **ELEY** rebate program.
