

ARA 2021

As 2020 comes to a close, we look to 2021 anticipating a great year! 2020 has certainly had its challenges as many clubs were unable to hold many of their scheduled matches due to the pandemic. I know we are all ready for competitions to get going so we can meet our buddies at the range. Clubs are beginning to turn in their 2021 schedules and prepare for the upcoming outdoor competition season.

Whenever you attend a match, please, make sure you thank the Match Directors as they work extremely hard to promote our sport and put on great matches that are both fun and fair.

We are continuing to add new clubs and schedules to the ARA website. Listed below, is a look at our current ARA clubs and Match Directors. For the most accurate and up to date information, visit www.AmericanRimfire.com.

And again... THANK YOU MATCH DIRECTORS!

Currently we have 77 ARA Outdoor Clubs and 6 Indoor Clubs. We are always looking to add sanctioned clubs and increase competition across the country. If you are interested in learning more about how to hold sanctioned ARA matches, shoot us an email to support@AmericanRimfire.com.

ON TO NEW ADVENTURES

Beginning in January, Paul Tolvstad will be beginning new adventures ... or rather, continuing old adventures with Muller Works Barrels. Paul will be managing the Muller Works Rimfire Rifle Barrel division where he will oversee production and sales.

Paul says he plans to shoot more and enjoy the competitor side of things. He will continue to organize and operate his local ARA club matches at Van Dyne Sportsmen Club in Wisconsin and the annual Triple Crown of Rimfire held at Kettlefoot Gun Club in Bristol, Virginia.

Paul has been part of the KSS Team assisting with Killough Shooting Sports, American Rimfire Association, and the Professional Shooting League for the past six years where both his competition and product knowledge have been invaluable. While he will not be on the front line answering the phones, he will always be part of team KSS!

If you are on Facebook, make sure to "Like" the Muller Works Rimfire Barrels page. Muller Works Benchrest Barrels will be available through KSS at www.KilloughShootingSports.com while Muller Works Tactical Barrels (PRS/NRL) will be available through Southern Precision Rifles at www.Bugholes.com. Starting January 1st, Paul can be reached via facebook messenger or email mullerworksrimfire@gmail.com.
