

Dear Friends & Competitors,

We are truly saddened at the current pandemic situation around the globe. With the limits our government is placing on gatherings for the good of public health, we know that most competitions will be canceled or postponed.

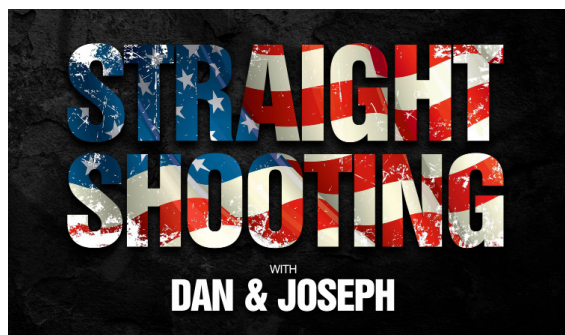

It is left up to each Match Director's discretion as to whether or not to hold matches.

If you do have competitions, please abide by federal and local guidelines. We do hope you're able to get outside, get some fresh air, and enjoy punching those little dots with a few friends.

Stay Well,

Dan Killough

Congratulations to **Jeff Kite** who shot the first ARA 2500 Factory Class target on February 22nd at Kettlefoot Gun Club. He also shot targets of 2400 & 2450 for a 7350. Jeff was shooting a CZ 452 American off a bipod.

A BUSY TIME AT CHICKENFOOT!

On February 15th, two indoor matches were held at Chickenfoot with Mike Lowe and Bob Cleveland as the match winners. Bob Also managed to pull off two more 2500's in the two matches and Jerry Smith added one to his collection as well.

On March 7th two more matches, with Bob Cleveland & Grant Toman taking home the wins. And again, excellent shooting by Jerry Smith who took home yet another 2500.

INCREASE IN 2500 ARA CERTIFIED TARGETS!

Over the years, the number of 2500's certified has increased dramatically! In addition to more targets being shot in competition... ammunition, equipment, and improved competitor skills have sent the number of 2500s soaring! It's exciting to see the level of precision improve in such a dramatic way. Up to the 2020 season, as a courtesy and honor to the competitor, all 2500 Targets have been framed recognizing their accomplishment. We certainly want to continue celebrate the achievement of each 2500 certified by awarding them 5 hall of fame points and posting pictures to social media. However, beginning with the 2020 Indoor Season, the ARA will frame a competitor's first 2500 shot in each class & Environment. Framed targets will be presented to the competitor at one of the National Tournaments or a match attended by an ARA team member. If a competitor prefers to have the target mailed, they may call and pay shipping to have the framed or unframed target returned prior to presentation at a match.

Please help us identify all these targets rolling in!

The following information is to be legibly written on the back of each 2500 target mailed in:

• **CLUB NAME** • **COMPETITOR NAME** • **DATE OF COMPETITION**

The front of the target must be signed by the competitor, Match Director, and Scoring Committee.

Official rules regarding 2500 targets may be found in section 18 of the ARA Rule book available online at www.AmericanRimfire.com
