November 2019

Tim Miller is still on a winning high after his Professional Shooting League MullerWorks Showdown win in Oklahoma! Tim can add that PSL win to his list of shooting accolades which include earning the titles of PSL Series Champion and ARA National Tournament Champion in 2016. Tim has traveled around the country competing and winning numerous club matches and tournaments.

Growing up, Tim always enjoyed hunting, and fishing. For several years, he competed in skeet shooting events. Around 1990, Tim began shooting rimfire benchrest at Kettlefoot with his father-in-law, Cliff Keesee, and his uncle, Allen Stigall. He continues shooting benchrest and stays busy with shooting, playing golf, hunting, and doing gun work

Tim has always liked to travel, so he enjoys shooting at many different ranges around the country. But, the ranges he's frequented most have been Gene's Rimfire, Chattanooga, Birmingham, Gold City, and Chickenfoot indoor and outdoor ranges. Each range has had a strong following of great shooters that made Tim want to be better. For example, at his very 1st IR50x50 match at Wilderness Road, Tim clearly remembers being impressed by Lamon Loggins shooting a 250 that day!

Tim says he really enjoys the people he shoots with each weekend, "It's been a great 10 years and the best part has been the friends I've made." At the 2010 Pioneer PSL match, Tim met "TKH" (Tony Harper). They became quick friends and have shot many matches together since. In fact, next weekend they will meet up for competition in Luray, VA at the IR5050 indoor match. One of the most fun things to Tim is that, "At 9:00 on Saturday morning we all start out with zero, and there will only be one winner. That's what it's about, those guys and girls are the measuring stick."

Congratulations PSL MullerWorks Showdown Top 5! The PSL top 5 shot consistently well in the tricky breeze and cool weather to vie for the top spots. Tim Miller's first card of 2450 put him with a lead just 50 points ahead of Jason Thornhill going into target 2. Jason Thornhill Won Target 2 with a 2400 and pulled ahead to the top spot leaving Miller in second, Bob Cleveland in third, Marion Collier in fourth, and Todd Wooten in fifth going into Target 3. Target 3 saw Marion Collier win with a 2300. But, Miller's 2200 was enough to put him back in the top spot leading by a slim 25 points over 2nd place Jason. The rest of the lineup after card 3 was Marion 3rd, Bob 4th, and Todd 5th. Jerry Smith won target 4 with a 2250 and jumped from 6th place to 4th place. Jason regained the number 1 position, 50 points ahead of Tim. Going into the final round Jason and Tim continued to hang on to places 1 and 2 respectively with Todd 3rd, Jerry 4th, and Bob 5th. Tim Miller shot well winning target 5 and again landing in the top spot for the finish. It was an exciting competition as each contender rivaled for the top positions.

Tim Miller championed the PSL with a total score of 11200 66Xs. Hot on his heels and only 25 points behind, finishing in second was Jason Thornhill with a total of 11175 60Xs. Third and fourth places were only separated by 50 points. Bob Cleveland's 5-card total of 10900 54Xs landed him in the 3rd place position. While Todd Wooten's 10850 64Xs kept him in fourth. The fifth place position is held by Marion Collier with 10725 47Xs.

What's your gun's name?

Who doesn't need a little whimsy in our sometimes ho-hum lives? That's what naming your gun can bring you. Some shooters do it for fun, some for luck, some for superstition. Many are self explanatory - but all make for some pretty cool looks and stories!
