

SHOOTER SPOTLIGHT

Jerry Hensler was first introduced to shooting when his dad gave him a 22 at about age 11. Living in a rural area, he and his dad were able to practice often, so Jerry developed an interest in shooting at an early age.

Jerry's home range is the Boerne Shooting Club in Boerne, Texas, where he is the current Match Director. Jerry enjoys shooting with his wife, Josefina, who is also an avid shooter.

Jerry loves the challenge of trying to figure out what works and what doesn't. He attributes some of his shooting accomplishments to his friend and mentor, Ed Shilen.

Jerry's other hobbies include building model trains, as well heading to the casino and sitting in on a poker game or two.

Winning hasn't been a priority over his past 20 years of competing. But, he admits, "it's nice when it happens!" Winning the 2020 Area 1 Unlimited Tournament and his first national championship in short range centerfire benchrest were two of his greatest accomplishments.
